TECHNICAL DETAILS:

CASE

- Case diameter: 42mm;
- 316L anti-allergic stainless steel incl. Scalfaro Ceramic Intarsia;
- Elements with SCALFARO CERAMIC INTARSIA TECHNOLOGY:
 - Case at 6h and 12h: Spinner and gearshift pattern with Ceramic DNA Intarsia containing genuine parts of Ferrari GTO Chassis No. 3757GT (material supplied by the owner of the car Nick Mason incl. certificate)
 - Bezel: Ceramic Intarsia in Rosso Corsa & black Ceramic DNA Intarsia air-outlet design;
 - Case side: Handwriting "Omologato" in purple Ceramic Intarsia (tribute to Enzo Ferrari's habit of signing with purple ink);
- Individual number engraved on the log (e.g. 008/250);
- Off-shape Sapphire crystal (anti-reflex treated, scratch-resistant) features signature of L'Ingegnere Giotto Bizzarrini and "GTO 1962" slogan printed on the inside of the crystal;
- Shape: "Radius 8" – characteristic shape incorporating multi-level case architecture as well as refined interplay of satin-brushed and polished surfaces and facets;
- Screw-down crown polished and satin-finished with logo-embossing;
- Newly developed "Scalfaro Multi-Step Protection"-System (SMSP) protects the gaskets from direct water-contact;
- See-through case back with Sapphire crystal and engraving "GENUINE 250 GTO PARTS INTEGRATED", fastened with 4 ScalfaScrews;
- ScalfaScrews - exclusive development of SCALFARO;
- Water-resistant to 100 meters (330 Feet, 10 ATM).

MOVEMENT

- SCALFARO Caliber ADK 150 based on Manufacture La Joux-Perret;
- Fine-tuned, high precision adjustment;
- Highly elaborated and decorated movement (Perlage, Côtes de Genève, skeleton rotor,...);
- Indication of: Hour, minute, second, date at 6 o'clock (rapid date adjustment) and Chronograph function with indication of timed seconds, minutes and hours;
- Complication: Chronograph TriCompax.

STRAP

- Choice of black natural rubber strap engraved with the ignition pattern of the GTO's V12 Colombo engine or black Horween Shell Cordovan strap;
- Both strap variations are equipped with the elegant SCALFARO folding buckle.

DIAL & HANDS

- Galvanized black dial partially micro-blasted and satin-finished;
- Hand-applied indexes and luminous, diamond-polished hands filled with Super Luminova.
